Dear Co-Chairs Needleman and Arconti, and Members of the Committee:

Thank you for this opportunity to submit testimony in support of H.B. No. 7156, An Act Concerning the Procurement Of Energy Derived From Offshore Wind and S.B. No. 875 An Act Expanding Connecticut's Offshore Wind Energy Portfolio.

I support these bills as a concerned resident of Connecticut. We should be doing everything we can to reduce the damage we are doing to the planet and our children's future. Think about the world we will be leaving them. And please do not rob the funds from rate payer's bills to use for other purposes.

Sincerely,

Michael Duffy
